Attached is the January 1995 Almond Industry Position Report. You will notice that although there was no receipt reporting requirement for the month of January, the receipts figure has changed somewhat from that reported in December.

The receipts indicated on this report are as of December 31, 1994. The variance from the December Position Report was caused by a couple of factors--the tardy filing of forms by handlers and revisions handlers made to amounts previously reported.

The timely filing of forms is greatly appreciated by Board staff because it allows us to compile and report the information back to the industry efficiently. We thank you for your cooperation.
